### **Derry Places Appropriations Under Review**

SAN BERNARDINO, CA – Today, the San Bernardino County Board of Supervisor's approved a request by Third District Supervisor Neil Derry to rescind six appropriations for expenditures related to his District. The Supervisors previously approved the requests totaling \$2,675,520 on November 18, 2008 at the recommendation of former Supervisor Dennis Hansberger.

The rescission action was requested in order for the District to more thoroughly evaluate the appropriation amount, funding source, and in some cases the scope of work.

The rescinded appropriations include the following.

1. \$500,000 Mountain Preservation Program for lot consolidation at Baldwin Lake.
2. \$250,000 Landscape Improvements at the Mentone Senior Center.
3. \$500,000 Traffic Signal located at Stanfield Cutoff/North Shore Drive, Fawnskin.
4. \$500,000 Infrastructure Improvement Assistance (CSA 53) Big Bear Area.
5. \$910,520 Loan Repayment for Arrowhead Manor Water Company – Cedar Glen
6. \$ 15,000 Reduction in funds to Big Lake International Film Festival.

It is anticipated a new funding item for repayment of the state loan to the Arrowhead Manor Water Company totaling \$910,520 will come forward next week funded out of the County Redevelopment Agency - Cedar Glen Project Area.

Other revised appropriations requests and a report to the Board of Supervisors will be placed on the January 6, 2009 agenda.
